

EXHIBITION – COMPETITION  
**CORTI SUL FILO DEL LIMITE**  
SECOND EDITION – MAY 2019

REGULATION

Associazione In-Oltre Onlus, in collaboration with Centro Studi Cinematografici, S.A.S. Bergamo, Cooperativa Sociale Namasté and Associazione Diaforà, organizes the second edition of CORTI SUL FILO DEL LIMITE – short film exhibition.

**THE THEME OF THE *LIMIT***

Will be awarded short films that are able to better develop the theme of **limit** within one or more of the different interpretation in which it can be placed. Among these we suggest some of particular interest:

- limit, confines and barriers, as structures that block (could block) possible encounters
- limit, confines and boundaries, places that separate (could separate) or put (could put) in relation
- limit, boundaries and limitations, conditions that dis-enable (could dis-enable)
- limit and link between diversity, differences and identity

It is an interpretation that is be suitable to articulated and complex looks, ranging from personal and existential to community, social and political levels.

The promoters emphasize that what was said above must be taken on as a starting point by the director/author, treated as a set of questions rather than as a thesis to defend: the director/author can and must freely develop his own point of view on the proposed theme.
