Welcome to the First edition of FRANCIGENA FILM FESTIVAL!

The FRANCIGENA FILM FESTIVAL takes place in the heart of Tuscany, in the city of Colle di Val d'Elsa, between San Gimignano and Monteriggioni.

The FRANCIGENA has been certified "Cultural Route of the Council of Europe" in 1994-

The Via Francigena was a communication path which contributed to the cultural unity of Europe in the Middle Ages. Today, the Via Francigena is considered as a bridge between the cultures of the Anglo-Saxon Europe and the Latin Europe.

That's why the Programming Committee decided to name FRANCIGENA this new Film Festival, where the Theme of the accepted Shorts must be "the Journey".
